

This year on Saturday, March 27, 2010 we held our 2nd Annual Easter Egg Hunt. This is an opportunity for us to reach out to the children in our community and offer a fun event for their enjoyment. Last year we had an overwhelming response and tried to make the best of our parking to accommodate our large crowd. This year we made some adjustments to make this better. We offered three different times for different ages. Parking was much better. This year we "hid" approximately 2200 eggs! A big jump from our first year of 1000 eggs. The week prior to the event our staff "stuffed" the plastic eggs with candy to get ready for the big day. On Saturday we started the day by picking up our Easter Bunny costume and hiding the eggs for the first group of children. What fun they had when it was finally time to find their eggs. Our prizes were ages 0-4 a wagon, ages 5-8 a new bicycle, and ages 9-12 an IPOD. This year we also took pictures of the children with the Easter Bunny and printed them out, to be picked up a few days later at the funeral home. This was appreciated by so many. In a community, that has a huge need, so many of these children would never get to have a picture with the Easter Bunny. So many smiles, so many hugs, so many "thank yous"... just one more way to bless our community. What a fun and enjoyable time for our entire staff. Thank you NFDA for encouraging your members to strive for excellence.
