Notice Regarding Tax Deductibility of NFDA Dues:

Contributions or gifts to NFDA PAC are not tax deductible and are limited by federal law to \$5,000 per person, per year. In accordance with federal law, contributions are strictly voluntary and not a condition of NFDA membership. All personal contributions to NFDA PAC are used in support of candidates for federal office. Corporate contributions cannot be used in support of candidates for federal office and are attributed to NFDA's Political Education Fund. Generally, funeral homes that pay NFDA dues are able to deduct 100% of those dues as ordinary business expenses for federal tax purposes. However, due to the enacted Budget Reconciliation Act of 1993 (the "Act") dues revenues utilized by a professional trade association for lobbying purposes cannot be deducted by the member who paid dues. In accordance with the Act, the National Funeral Directors Association is hereby notifying its membership that it estimates that 9% of the 2023 NFDA dues paid by a member will not be deductible as ordinary business expense for federal tax purpose. This estimate is to be utilized by NFDA members in determining what portion of their NFDA dues is deductible. Please provide a copy of this notice to your accountant and/or tax preparer.
